# “Finalizing a Recreation Strategy”

Jan 14, 2015 - Bishop - Cerro Coso Community College

**Eastern Sierra Recreation Collaborative  
Proposed Recreation Strategy**

Prepared in Support of the  
Inyo National Forest Management Plan Revision

January 26, 2015

<http://eastsierrarec.org>

<http://mltpa.org/advocacy/esrc-public-meeting-information>

**52 Desired Conditions  
Spread over the 6 ESRC  
“Values, Principles and  
Guidelines” that make up  
the ESRC “Recreation Lens”**

### ESRC Value = Stewardship and Partnership

Desired Conditions	Objectives	Standards	Guidelines
1. Community Steward Programs	Establish community financed interpretive programs to educate public about ecology, history, LNT, culture of an area	Assign appropriate staff person to facilitate agreements with INF to provide volunteers	Interpretive staff either paid or provided by volunteers
2. Forest Service collaboration with community groups	-INF will actively collaborate with community groups to address management and recreation goals -INF should also collaborate with tribal leadership as to management and location of sacred land and burial sites	Partnerships should include a broad variety of groups to represent the diversity of uses and interests on the forest	The INF and community groups will have established partnership structures to facilitate communication
3. Repair trails and bridges with community stewardship as appropriate	Engage more partners for front country & backcountry trail repair and maintenance by doubling MOU's in the next 5 years	Create outreach program to engage partners – clearly communicate project guidelines	Identify and publish/ promote projects that could be implemented by partners
4. Stewardship opportunities for visitors and residents	-Expand on the ground stewardship capacity through establishment of local stewardship groups in each “gateway community” -Provide 20 stewardship projects for out of town groups per year	Ensure projects occur in each community and addresses more than one “use”	-Streamline and prioritize facilitation of local and regional groups stewardship project requests -Where possible provide free or low cost facilities for stewardship groups (e.g. campground)
5. Improve partnerships and their ability to work on forest	INF hires or designates a coordinator specifically to work with partnership groups	INF being proactive in seeking out partnership objectives	Develop with partners a volunteer stewardship corps

## Eastern Sierra Recreation Collaborative Proposed Recreation Strategy

Prepared in Support of the  
Inyo National Forest Management Plan Revision

# **Sustainable Recreation**

*Connecting People with America's Great Outdoors:*

***A Framework for Sustainable Recreation***

*United States Forest Service, USDA  
Recreation, Heritage and Volunteer Resources*

*June 25, 2010*

## Goals:

- **Provide** a diverse range of quality natural and cultural resource based recreation opportunities in partnership with people and communities.
- **Protect** the natural, cultural, and scenic environment for present and future generations to enjoy.
- **Partner** with public and private recreation benefit providers that - together - we meet public needs and expectations.
- **Perform and plan** by implementing systems and processes to ensure: effective decisions, sound investments, and accountability; collaborative approaches to integrated solutions across the landscape; and enhanced professionalism of our workforce.

**“The condition of our recreation and heritage assets has steadily diminished, resulting in a ballooning backlog of maintenance needs for recreation facilities, trails, and roads.”**

*USFS – “Framework for Sustainable Recreation”*

**“The condition of our recreation and heritage assets has steadily diminished, resulting in a ballooning backlog of maintenance needs for recreation facilities, trails, and roads.”**

**“National economic conditions and mounting financial demands underscore the inadequacy of traditional funding sources to meet growing needs...”**

*USFS – “Framework for Sustainable Recreation”*

# **Who's read the Draft Management Plan?**

# **Who's going to Comment?**

# **Comments Due August 25!**

# The Evening's Program

**Volunteers/Interpretation/Partnerships/Stewardship**

**Digital Connection/Technology**

**Responsive Special Use Permits**

**Citizens Access/Trails**

**Recreation Places / Iconic Places**

## **Volunteers/Interpretation/Partnerships/Stewardship**

**Increase stewardship capacity by expanding partnership and volunteer opportunities outside of appropriated funds.**

## **Volunteers/Interpretation/Partnerships/Stewardship**

**“Develop memoranda of agreements or other protocols between the forest and local governments as appropriate to guide coordination processes and reflect local perspectives and interests.”**

*(PDF Page 93 – Local Communities)*

**“Maintain and expand contracting and partnership opportunities with local governments, businesses and organizations. Develop partnerships that leverage different sources of funding to support opportunities to contribute to the economic and social sustainability of local communities.”**

*(PDF Page 94 – Volunteers/Interpretation/Partnerships/Stewardship)*

## **Volunteers/Interpretation/Partnerships/Stewardship**

**“The forest should designate a partnership coordinator who will define an easily understood process for becoming a partner as well as expectations for both the forest and the partner.”**

*(PDF Page 151 – Appendix C: A Renewed Partnership Focus for the Inyo National Forest)*

**“Install and maintain appropriate multilingual information boards, interpretive panels and regulatory signs at developed sites and dispersed areas within sites of sensitive resources.”**

*(PDF Page 157 – Appendix D: Management Strategies)*

## **ESRC Next Practice Examples: VIPS**

**“Streamline partnership processes and increase capacity to engage and support partners. These actions will contribute to the long term sustainability and relevance to society of natural and cultural landscapes.”**

*(Page 6 USFS Framework for Sustainable Recreation – V. Forge Strategic Partnerships)*

**“Continuously seek to improve community participation and collaboration skills using the latest research to build long lasting partnerships and working relationships to move together toward sustainable conditions.”**

*(Page 7 USFS Framework for Sustainable Recreation – VII. Know Visitors/Community Stakeholders)*

## **ESRC Next Practice Examples: VIPS**

**“Better utilize interpretation and conservation education to build a conservation ethic among forest visitors.”**

*(Page 9 USFS R1 Recreation, Heritage Wilderness Strategy – Identity & Visibility)*

**“Fully explore other opportunities to provide recreation through governmental partners, non-profits or the private sector, before USFS providing those opportunities.”**

*(Page 10 USFS R3 Sustainable Recreation Strategy – Agency, Communities, Partners 2.3)*

# **Digital Connection/Technology**

**Modernize the agency's use of emerging communication channels to capture live-time data and improve quality of data collected.**

## **Digital Connection/Technology**

**“Work with local governments, businesses, and organizations to collect economic data to track changes for businesses in sectors dependent on forest activities.”**

*(PDF Page 94 – Local Communities – LOC-FW-GOAL 03)*

**“Regularly report potential projects suitable for partnership and volunteer opportunities to the public.”**

*(PDF Page 94 – Volunteers/Interpretation/Partnerships/Stewardship – VIPS-FW-GOAL 02)*

## **Digital Connection/Technology**

**“To the extent practical, harmonize recreation direction for forest visitors to minimize confusion when crossing administrative boundaries.”**

*(PDF Page 95 – Sustainable Recreation – REC-FW-GOAL 02)*

**“Provide and update interpretive signage, wayside exhibits, publications and programs using a variety of media and methods.”**

*(PDF Page 98 – Potential Management Approaches)*

**“Explore partnership opportunities with user groups and seek reliable information sources outside of the agency to improve data collection and data management on recreation use and demand.”**

*(PDF Page 148 – App B: Proposed and Possible Actions – Sustainable Recreation)*

## **ESRC Next Practices – Digital Connection/Technology**

**“Continuously adapt visitor use monitoring system and work closely with Research and Development to stay current with demographic shifts, changing values and demands, data sources, new technologies, and management tools.**

*(Page 7 USFS Framework Sustainable Recreation – VII. Know Visitors/Stakeholders)*

**“Improve capacity to use emerging social media technology to better connect with diverse users and cultures.”**

*(Page 7 USFS Framework Sustainable Recreation – VIII. Provide the Right Information)*

**“Invest in consolidating and improving external recreation information systems with an emphasis on quality, consistency, accessibility and convenience.”**

*(Page 7 USFS Framework Sustainable Recreation – VIII. Provide the Right Information)*

# **Responsive Special Use Permits**

**Enhance guest services and connections to public lands by streamlining and updating the issuing of special use permits.**

## **Responsive Special Use Permits**

**“Permitted recreation uses, such as recreation special events or guided activities, are consistent with recreation settings, protect natural and cultural resources and support community goals.”**

*(PDF Page 43 – Sustainable Recreation – REC-FW-DC 11)*

**“Work with local governments, businesses and organizations to assist in permit processes, including providing technical assistance, processing programmatic environmental clearance, and other measures to streamline the time and expense of permitting. ”**

*(PDF Page 147 – Appendix B: Proposed and Possible Actions – Local Communities)*

## **Responsive Special Use Permits**

**“Issue and supervise permits for new special use activities on the forest including powerlines, special events, large group gatherings, outfitter-guide activities and research.”**

*(PDF Page 148 – Sustainable Recreation – REC-FW-DC 11)*

**“Expand partnerships with other federal, state, and local government agencies, as well as associations, non-government organizations, outfitters and guides, local businesses, and other community groups, to leverage information (help serve as messengers to the visiting public) and resources for mutual benefit to enhance and improve forest infrastructure (i.e. roads, trails, campgrounds)”**

*(PDF Page 151 – Appendix B: Proposed and Possible Actions – Sustainable Recreation)*

## **ESRC Next Practices Examples - Permits**

**“Streamline partnership processes and increase capacity to engage and support partners. These actions will contribute to the long term sustainability and relevance to society of natural and cultural landscapes.”**

*(Page 6 USFS Framework for Sustainable Recreation – V. Forge Strategic Partnerships)*

**“Compile and/or develop Best Management Practices to assist the field in managing a wide array of partnerships (volunteers, challenge cost share and other partner organizations).”**

*(Page 16 USFS R1 Sustainable Recreation Strategy – 4. Partnerships, Volunteers, Youth)*

## **Citizens Access/Trails**

**Turn attention to developing sustainable systems for access including trails, OHV and OSV use.**

## **Citizens Access/Trails**

**“The diverse landscapes of the forest offer a variety of year-round recreation settings for a broad range of nature-based recreation opportunities, derived from assigned recreation opportunity spectrum classes and recreation places management areas. Management focuses on settings that enhance the forest recreation program niche.”**

*(PDF Page 42 – Sustainable Recreation – REC-FW-DC 01)*

**“Visitors can connect with nature, culture and history through a full range of inclusive and sustainable outdoor recreation opportunities.”**

*(PDF Page 43 – Sustainable Recreation – REC-FW-DC 04)*

## **Citizens Access/Trails**

**“The trail system provides a variety of motorized and non-motorized recreational opportunities during summer and winter and distributed across the forest. Trails access destinations that provide for loop opportunities that also connect to a larger trail system, provide linkage from local communities to the forest and are compatible with other resources.”**

*(PDF Page 43 – Sustainable Recreation – REC-FW-DC 15)*

**“Work with partners and volunteers to provide recreation opportunities, maintain and enhance recreation settings, collect and manage data on recreation use and demand, and contribute to socioeconomic benefits associated with recreation and tourism.”**

*(PDF Page 94 – Volunteers/Interpretation/Partnerships/Stewardship – VIPS-FW-GOAL 04)*

## **ESRC Next Practice Examples: Citizen Access/Trails**

**“Actively engage internal (line officers, program managers, technicians) and external (partners, volunteers, friends) stakeholders in learning sessions to gain leader commitment for a sustainable trail system.”**

*(Page 8 – National Strategy for Sustainable Trail System – Leader Intent 1.2)*

**“Champion a collaborative approach to develop training curriculum for practitioners, managers, and volunteers that includes three basic elements: trail program and information management; trail maintenance and field skills, including traditional skills and techniques; and volunteer/partner management and coordination.”**

*(Page 8 – National Strategy for Sustainable Trail System – Organization and Talent 2.4)*

## **ESRC Next Practice Examples: Citizen Access/Trails**

**“Encourage assessments with partners across jurisdictional and cultural boundaries that evaluate community trail needs, new and emerging users, and resource protection needs across local geographic areas.”**

*(Page 8 – National Strategy for Sustainable Trail System – Relevancy 3.5)*

**“Invite national/regional/local trails groups to create a shared understanding of how to better balance desire for more opportunities with the need for a sustainable trail system.”**

*(Page 9 – National Strategy for Sustainable Trail System – Sustainable Systems 4.1)*

## **Recreation Places / Iconic Places**

**Better engage gateway partners by developing allocation criteria for recognizing and managing special places beyond those designated by Congress or the President.**

## **Recreation Places / Iconic Places**

**There are eleven (11) Recreation Places listed in Chapter 3 that are relevant to the Northern Gateway Communities:**

- 1. Benton-Casa Diablo Place – PDF Page 72**
- 2. Coyote Place – PDF Page 74**
- 3. Glass Mountain Place – PDF Page 74**
- 4. June Lake Loop-Walker-Parker Place – PDF Page 76**
- 5. Mammoth Place – PDF Page 77**
- 6. Mammoth Escarpment Place – PDF Page 77**
- 7. Mono Basin-Lee Vining Place – PDF Page 79**
- 8. Owens River Headwaters Place – PDF Page 80**
- 9. Pizona Place – PDF Page 81**
- 10. Reds Meadow-Fish Creek Place – PDF Page 81**
- 11. Upper Owens River Place – PDF Page 82**

## **Recreation Places / Iconic Places - #1**

- **“Sustained as a natural-appearing remote, backcountry, non-wilderness area with management emphasis on year-round dispersed recreation opportunities. (1,2,3)**
- **“Sustained as a natural-appearing, cultural and tourism destination landscape providing the staging area for year-round developed and dispersed recreation opportunities for residents and visitors.” (5,6)**
- **“Sustained as a natural-appearing, destination landscape with management emphasis on developed recreation opportunities.” (4)**
- **Sustained as a natural-appearing, destination landscape with management emphasis on continuing to provide visitors with sense of wildness and remote experience (7)**

## **Recreation Places / Iconic Places - #2**

- Sustained as a remote, backcountry wilderness area with a management emphasis on providing visitors a sense and experience of solitude, wildness and remoteness (8)
- Sustained as a backcountry area with management emphasis on continuing to provide visitors with a sense of remoteness (9)
- Sustained as a natural-appearing landscape with pockets of high-quality concentrated recreation and backcountry access (10)
- Sustained as a natural-appearing cultural landscape with dispersed summer and winter recreation and management emphasis balanced between dispersed and developed recreation opportunities (11)
- Scenic character is sustained by resilient landscapes that support and enhance the scenery setting. (1,2,3,4,5,6,7,8,9,10,11)

## **Recreation Places / Iconic Places - #3**

- **Developed recreation facilities are rustic in design with less obvious management controls (1)**
- **Developed recreation facilities are sustained to support the needs of changing demographics (4)**
- **Developed recreation facilities are contemporary in design with vehicular controls and regimentation of users (5,6)**
- **Areas of high-use are managed to maintain a quality experience for visitors. (1,4,5,6,10,11)**
- **Areas of dispersed use are managed to maintain the ROS (6,7,8,10,11)**
- **Trail system is aligned with the ROS and management actions focus on developed and dispersed recreation opportunities (5,6,11)**

## **Recreation Places / Iconic Places - #4**

- Trail system is aligned with the ROS and management actions focus on supporting the dramatic viewsheds (7)
- Trail system is aligned with the ROS and management actions focus on sustaining the wildness character (8)
- Utilities are considered if their location will not limit the achievement of the roles, contributions and sense of place (1,2,3,5,6,7,9,10,11)
- Management actions are aligned with recreation opportunity spectrum (ROS) and the roles, contributions and sense of the place (1,3,4,5,6,7,9,10,11)
- Management emphasis includes providing dispersed motorized recreation opportunity experiences that support ROS of the place (2,3)

## **Recreation Places / Iconic Places - #5**

- **Access is provided that allows for sustainable use along the network of motorized trails (2)**
- **Access is provided by a network of non-motorized trails and roads to launch from for dispersed recreation opportunities (5)**
- **Road system supports delivery and staging to high use trailheads (10)**
- **Private inholdings are considered for land exchanges if they promote the roles, contributions and sense of the place (2,6,10,11)**
- **Development is aligned with ROS and scenery management system; managed and adapted to changing demographics, connectivity to adjacent communities and supporting the connection of people to nature (3,4,5,6,7,9,10,11)**

## **Recreation Places / Iconic Places - #6**

- **Mammoth Lakes Basin is sustained for family oriented developed recreation as well as technical sports including rock climbing and backcountry skiing (5)**
- **Recreation residences do not limit the ROS and do not generate resource impacts (5,6,10,11)**
- **Recreation residence permits are considered for discontinuation if such actions would promote the roles, contributions and sense of the place (4,5,6,10,11)**
- **Special use permits are authorized that align with the ROS and achieving desired conditions of the place (4,5,6,7,10,11)**
- **Filming opportunities are authorized that encourage responsible use and stewardship of the land (5,6,7,10,11)**

## **Recreation Places / Iconic Places - #7**

- **Opportunities for research are sustained, with an emphasis on those that support developing adaptive management responses within the place (6,7)**
- **Outfitter and guide services promote the roles, contributions and sense of the place and support meeting the needs of the ROS with the agency and partners (6,7,8,9,10,11)**
- **Area is managed to maintain high scenic integrity for visitors and residents to enjoy (6)**
- **Locations of cultural and tribal value are enhanced via management actions to sustain landscape resiliency (7,8,9)**

## **ESRC Next Practice – Iconic Places/Recreation Places**

**“Make strategic investments and leverage existing and future external partnerships for additional resources and funding to help sustain and feature high value treasured landscapes and sites.”**

*(Page 6 USFS Framework Sustainable Recreation – IV. Invest in Special Places)*

**Evaluate other areas within the National Forest System that have outstanding recreational, scenic, historic, or other values of high attractiveness for designation and management as special areas.**

*(Page 6 USFS Framework Sustainable Recreation – IV. Invest in Special Places)*

# ESRC – Upcoming Meetings

## EVENT SCHEDULE

**Bishop | Mon., June 27** Cerro Coso Community College

**June Lake | Mon., July 11** June Lake Community Center

**Bishop | Mon., July 18** Tallman Pavillion, Tri-County Fairgrounds

**Lone Pine | Mon., July 25** Statham Hall

**Bishop | Mon., August 15** Cerro Coso Community College

**All meetings will begin at 6:00 p.m. and end by 8:00 p.m.**

## ESRC – On Line Resources
