**Concept: Retain trails depicted as USFS system trails on the Summer map as part of the SWG Winter Proposal.**

“Retain trails depicted as USFS system trails on the Summer map as part of the SWG’s overall wintertime proposal, including Mammoth Rock Trail, the Panorama Dome trails, and the Sherwin Lakes Trail.”

**Rationale:** “The SWG did not separately propose or consider trails depicted as USFS system trails on the Summer map while drafting their Winter Proposal, as they assumed that, as official trails recognized as part of the Inyo National Forest inventory, these trails would not be restored or lose system status if not specifically identified in the Winter Proposal. It is the intent and assumption of the group that these trails will remain or become official USFS system trails and will be included as part of their Winter Proposal, regardless of their seasonal use and accessibility.”
