

# CA Jobs First Recreation & Tourism Cohort Symposium of Practice

Sacramento – April 23, 2026

Visit California

# Long-term Use of Symposium Outputs

- **SUSTAIN** the work of Jobs First regional collaboratives, their planning and projects
- **INCENTIVIZE** the work of Jobs First in the sector with state and regional agencies.
- **STRENGTHEN** the “Tourism and Outdoor Recreation” sector through ongoing collaborative work and investment into regional projects

# Draft Symposium Structure

- **Participants drawn from across the state's geography, sector industries, and state agencies**
- **Participants include 6-8 sector project representatives**
  - a. Project representatives to provide a short presentation (including up to 2 slides) to the group
- **At breakout tables, example projects are used as a framing device for discussion of opportunities and barriers for implementation**
  - a. These opportunities/barriers will be viewed through a number of 'filtering' categories.

# Discussion Filters

- Assets
- Policy/Regulations
- Data
- Workforce
- Funding
- Climate Change
- Collaboration
- Infrastructure

**Feedback?**

# Thank you!
