CALIFORNIA
BICYCLE
COALITION

PROJECT NAME

- Sustainable Mobility Partnership Program

PROJECT DESCRIPTION

- The project focused on developing sustainable mobility (recreation, transportation, and tourism) infrastructure and programming in the Central Sierra region through nurturing partnerships and collaborations with a range of partners from local governments to state agencies, advocating for bicycling at the local and state levels, developing implementable bicycle infrastructure projects with key partners, securing design and implementation funding for specific projects, growing and sustaining our membership, and supporting and hosting events to promote bicycling culture.
