

MLTPA/MLCC DEVELOPERS' FORUM

GOAL: CREATE A SOURCE OF INFORMATION AND A MEANS OF COMMUNICATION BETWEEN BUILDERS, DEVELOPERS AND THE MAMMOTH LAKES COMMUNITY RELEVANT TO TRAILS AND PUBLIC ACCESS ISSUES IN MAMMOTH LAKES AND THE SURROUNDING REGION.

OBJECTIVES:

Provide information and a forum to builders and developers:

- 1) Demonstrating the economic benefits of a comprehensive system of trails and public access to their projects.
- 2) Ensuring that a system of trails and public access in Mammoth Lakes will be comprehensive and will succeed.
- 3) Articulating the community benefits of a comprehensive system of trails and public access.
- 4) Providing the means and tools for builders and developers to participate in a comprehensive trails and public access planning effort in Mammoth Lakes and the surrounding region.

Provide information to builders and developers demonstrating the economic benefits of trails and public access to their projects.

Actions:

Provide information to builders and developers so as to ensure that a system of trails and public access in Mammoth Lakes will succeed

Actions:

Provide information to builders and developers demonstrating the community benefits of trails and public access

Actions:

Provide the means and tools for builders and developers to participate in a comprehensive trails and public access planning effort in Mammoth Lakes
