National Trails Day

The trails around Mammoth are in better shape thanks to the hard work of some 25 volunteers. On June 6, Friends of the Inyo, Mammoth Lakes Trails and Public Access (MLTPA) and the Inyo National Forest co-hosted a National Trails Day celebration at the Sherwin Lakes trailhead. Three groups performed trail maintenance on three different trails.

On the Sherwin Lakes trail, volunteers cleaned up three waterbars, 23 fire rings and campsites, and restored 26 trail switchback cuts.

Volunteers and Inyo National Forest and Friends of the Inyo trail crew staff work on the Valentine Lake trail.

On Mammoth Rock trail, workers installed a new sign, cut back one mile of brush and widened a half mile of the trail tread.

On the Valentine Lake trail, volunteers and trail crew staff removed a log that was blocking the trail.

Huge thanks to all the volunteers and to the following businesses that donated raffle prizes and gifts for the volunteers: Michelle Mather Massage; Roberto's Cafe; In Touch Spa; McDonalds of Mammoth, Bishop and Lone Pine.

The National Trails Day celebration was the first in a series of volunteer events – the "Summer of Stewardship" continues with a Horseshoe Lake work day on Saturday, July 18. Please join us!
