**THE CLEAN WATER AND SAFE PARKS ACT** is a general obligation bond that invests \$4 billion in the coming years to address some of California's most important water, parks, and natural resource needs. The state legislature passed the California Clean Water and Safe Parks Act (SB5) with bipartisan support, and it will appear on the June statewide ballot.

Paid for by Californians for Clean Water and Safe Parks, sponsored by Conservation Groups. Committee major funding from The Nature Conservancy  
Conservation Action Fund for clean water and parks, sponsored by environmental organizations
